

6 BIG GDPR MYTHS

1

My business is an SME

This new regulation does not apply to us. **FALSE**

2

GDPR is all about security

If I have robust security and encryption I will be compliant.

FALSE

3

I heard the fines are significant but the Information Commissioner won't really fine at this level

We are more likely to get a warning.

FALSE

4

I have great European customers

But my business is located outside of Europe so this GDPR does not apply to us.

FALSE

5

The GDPR does not come into force until May 2018.

I have loads of time to get compliant.

FALSE

6

I am only a data processor

The GDPR and the big fines only apply to data controllers. **FALSE**
